

WILLESLEY PARK GOLF CLUB

GUESTS OF MEMBERS – POLICY DOCUMENT

Members are positively encouraged to bring guests to play our great course. A member may bring up to 3 guests at any one time from 8.30am Monday to Sunday (providing the course is open for general play). We suggest checking with the club diary or pro-shop in advance to confirm.

Members **MUST** accompany their visitors to sign in and pay the appropriate fee before starting to play. Members must also accompany their guest(s) for their round of golf. It is not acceptable to sign someone in and leave them to play on their own or with someone else.

A visitor may play our course, with a member, up to **TWELVE** times per calendar year (January to December) but is restricted to **ONE VISIT PER MONTH**.

A member who may have visitors from overseas or from a 50 mile radius may be allowed, with Board permission, to play the course up to twice per week for a maximum of 4 weeks.

A visitor, not accompanied by the member, will not be allowed to sign in at the reduced rate.
