

Willesley Park Golf Club

Reciprocal Golf Policy Document

Only current **full playing members** of Willesley Park Golf Club may benefit from these reciprocal arrangements. (non-club members are precluded)

A member may visit a reciprocal partner club on a maximum of 4 occasions per calendar year (1st Jan-31st Dec).

A total of two tee times are available per day for a total of 8 players.
The host club may implement further reciprocal restrictions as they see fit.

To organise a reciprocal visit, members should contact the host club's professional shop to confirm availability and book prior to their visit. On arrival all of the visitors must report to the Pro Shop and pay the agreed fee before play. **YOU MAY BE REQUIRED TO PRODUCE EVIDENCE OF CURRENT CLUB MEMBERSHIP.**

Reciprocal visitors must adhere to the host clubs Dress Code and clubhouse regulations. The host Club reserves the right to refuse play, restrict playing times and refuse entrance to their clubhouse.

Reciprocal golf agreements do not allow members to play in host club competitions.

It is the responsibility of the visiting players to ensure their booking is confirmed and the host golf course is open for play.

Any problems arising during visits should be reported to the host clubs Secretary or Professional and, if necessary, the players home club.

Reciprocal visits are available Monday to Friday and subject to availability, other days are at the discretion of the host club.
